ABOUT MCA

Minority Cannabis Academy (MCA) is a Black-Owned Adult Learning Institution based in Jersey City, New Jersey. We are a 501(c)3 non-profit organization that focuses on the professional development and technical training of minorities and disenfranchised communities impacted by the "War on Drugs", who are interested in becoming cannabis industry professionals.

HOW CAN YOU HELP?

Help us, help our community by donating today! To continue building this program, we're also seeking additional sponsors. All donations and sponsorships go directly toward putting minority job seekers through our program and into jobs in the cannabis industry. All donations directly impact our organization and help us further our mission.
